The other children will be afraid of her, and no one will want to be her friend. But when Halloween rolls around, Ghoulia hatches a brilliant plan. All the other, ordinary children will be dressed up like monsters, so Ghoulia can go out into the town and be entirely herself. Lamberto, Lamberto, Lamberto-Gianni Rodari 2011-12-06 A fable for children and adults: a story of life, death, and terrorism—in the grand tradition of Exupéry's The Little Prince When we first meet 93-year-old millionaire Baron Lamberto, he has been diagnosed with 24 life-threatening ailments—one for each of the 24 banks he owns. But when he takes the advice of an Egyptian mystic and hires servants to chant his name over and over again, he seems to not only get better, but younger. Except then a terrorist group lays siege to his island villa, his team of bank managers has to be bussed in to help with the ransom negotiations, and a media spectacle breaks out . . . A hilarious and strangely moving tale that seems ripped from the headlines—although actually written during the time the Red Brigades were terrorizing Italy—Gianni Rodari's Lamberto, Lamberto, Lamberto has become one of Italy's most beloved fables. Never before translated into English, the novel is a reminder, as Rodari writes, that "there are things that only happen in fairytales."

Papa!-Philippe Corentin 1997 A little boy and a little monster are terrified when they awake to find themselves next to each other in bed.

The Forty-nine Steps-Roberto Calasso 2001 "'Forty-nine steps" refers to the Talmudic doctrine that there are forty-nine steps to meaning in every passage of the Torah. Employing this interpretive approach, Calasso offers a "secret history" of European literature and philosophy in the wake of Nietzsche, Marx, and Freud. Calasso analyzes how figures ranging from Gustav Flaubert, Gottfried Benn, Karl Kraus, Martin Heidegger, Walter Benjamin, Franz Kafka, Bertolt Brecht, and Theodor Adorno has contributed to, or been emblematic of, the current state of Western thought. This book's theme, writ large, is the power of fable - specifically, its persistence in art and literature despite its exclusion from orthodox philosophy."--BOOK JACKET.

The Tartar Steppe-Dino Buzzati 2005 Often likened to Kafka's *The Castle*, *The Tartar Steppe* is both a scathing critique of military life and a meditation on the human thirst for glory. It tells of young Giovanni Drogo, who is posted to a distant fort overlooking the vast Tartar steppe. Although not intending to stay, Giovanni suddenly finds that years have passed, as, almost without his noticing, he has come to share the others' wait for a foreign invasion that never happens. Over time the fort is downgraded and Giovanni's ambitions fade--until the day the enemy begins massing on the desolate steppe...

My First Reading Book-Amber Richards 2014-11-26 *My First Reading Book* is a tool to help teach beginner readers how to read. It is a good next step for children who have just mastered the alphabet and sounds of each letter. Intentionally, there are no pictures in this book, instead the focus is upon the words themselves, to keep distractions to a minimum. It starts with some 3 letter words, then moves on to 4 and then 5 letter words, then finishes by using most of the words in short, complete sentences. It's perfect for helping them to 'sound out' words and learn by memorization a few very

common simple words that are used frequently in the English language. Watch how proud children will be at mastering a new skill, reading!

One Thousand and One Nights-Hanan al-Shaykh 2014-03-10 One of the world's great folk story-cycles adapted for the stage by leading theatre maker Tim Supple, from the stories written by the seminal Lebanese novelist Hanan al-Shaykh. This unique edition will unlock the ancient tales for a new generation of readers and performers. Written by Arabic writers from tales gathered in India, Persia and across the great Arab Empire, the *One Thousand and One Nights* are the never-ending stories told by Shahrazad night after night, under sentence of death, to the king Shahrayar who has vowed to marry a virgin every night and kill her in the morning. Shahrazad prolongs her life by keeping the King engrossed in a web of stories that never ends - a fascinating kaleidoscope of life, love and destiny. The tales that unfold are erotic, violent, supernatural and endlessly surprising. The web of tales woven by Shahrazad were exoticised and bowdlerised in the West under the title of the *Arabian Nights*. This adaptation unearths the true character of *One Thousand and One Nights* as it is in the oldest Arabic manuscripts. In turns erotic, brutal, witty, poetic and complex, the tales tell of love and marriage, power and punishment, rich and poor, and the endless trials and uncertainties of fate. The great cities and thriving trade routes of the Islamic world provide the setting for these stories that employ supernatural mystery and intense realism to portray the deep and endless drama of human experience.

The Sandwich Thief-Andre Marois 2016-03-01 Marin loves the sandwiches his parents make for him—every day they're different and more delicious than the last. One morning, someone dares to steal his favorite sandwich: ham-cheddar-kale. Furious, Marin begins a fevered and famished investigation to unmask the thief. The days go by, the suspects multiply, and Marin's sandwiches continue to disappear. This droll, graphic caper is a funny school mystery exploring the high stakes of low blood sugar. The first in a series, the book's witty text and graphic illustrations make this funny school mystery perfect for early and advanced readers alike—and for anyone who's been the victim of lunchtime crime.
