**Top Producer**-Norb Vonnegut 2009-09-15 In a world that moves as fast as finance does, top producers have to think three steps ahead and make snap decisions. Theirs is a blurred version of reality, one that conceals moves as much as it rewards the bold ones. All too easily, scams can be disguised as success; plotting can be mistaken for killer instincts. And as Grove O'Rourke finds out, "Nothing obscures vulnerability like success. Nothing that is, except for friendships." But this book isn't about stocks and bonds—it's about people. About Grove O'Rourke, top producer at the investment firm of Sachs, Kidder, and Carnegie, and about his best friend, Charlie Kelemen, whose spectacular murder is carried out in front of hundreds of horrified

party-goers at the opening of the novel. It's about Charlie's widow, who comes to Grove for help after her husband's death, even though she's hiding a dark secret. And it's about how money—vast sums of money—can cover up even the most glaring imperfections in relationships, and fool everyone. Well, almost everyone. With the ease of someone who has lived in the world of top producers, Norb Vonnegut has crafted a sharp, dark thriller that will make you think—and then double-check your investments. Don't miss Norb Vonnegut's latest Grove O'Rourke thriller, *The Trust*.

**Story of My Life**-Jay McInerney 2010-03-12 A "brilliant" novel of a party girl in 1980s Manhattan, by the author of *Bright Lights, Big City* (The Sunday Times). Twenty-something aspiring actress Alison Poole is well versed in hopping the clubs, shopping Chanel, falling in and out of lust, and abusing other people's credit cards. As she traverses nocturnal New York with her coterie of coke-addicted friends—and races toward emotional breakdown—the author of *Brightness Falls* and other acclaimed works of fiction gives us a funny, poignant portrait of a postmodern Holly Golightly coming to terms with a world in which everything is permitted and nothing really matters. "Jay McInerney has proven himself not only a brilliant stylist but a master of characterization, with a keen eye for incongruities of urban life." —The New York Times Book Review "[McInerney's] talent for capturing the nuances and idiosyncrasies of our culture [in *Bright Lights, Big City*] is even more powerfully evident in *Story of My Life* . . . Underneath Alison's hip, party-girl exterior and flippant vernacular is McInerney's disturbing depiction of a young woman caught in the traumatic reality of her times." —San Francisco Chronicle "Story of My Life is quite as brilliant as *Bright Lights, Big City* and a lot funnier." —The Sunday Times

**Wedding Toasts I'll Never Give**-Ada Calhoun 2017-05-16 Seven essays celebrating the beauty of the imperfect marriage. We hear plenty about whether or not to get married, but much less about what it takes to stay married. Clichés around marriage—eternal bliss, domestic harmony, soul mates—leave out the real stuff. After marriage you may still want to sleep with other people. Sometimes your partner will bore the hell out of you. And when stuck paying for your spouse's mistakes, you might miss being single. In *Wedding Toasts I'll Never Give*, Ada Calhoun presents an unflinching but also loving portrait of her own marriage, opening a long-overdue conversation about the institution as it truly is: not the happy ending of a love story or a relic doomed by high divorce rates, but the beginning of a challenging new chapter of which “the first twenty years are the hardest.” Calhoun's funny, poignant personal essays explore the bedrooms of modern coupledness for a nuanced discussion of infidelity, existential anxiety, and the many other obstacles to staying together. Both realistic and openhearted, *Wedding Toasts I'll Never Give* offers a refreshing new way to think about marriage as a brave, tough, creative decision to stay with another person for the rest of your life. “What a burden,” Calhoun calls marriage, “and what a gift.”

**The Foreign Encounter in Myth and Religion**-Kees Van Der Pijl 2010-04-15 The Foreign Encounter In Myth And Religion is the second volume of Modes of Foreign Relations and Political Economy, a three-volume project which is changing the way we think about international relations. In the first, Deutscher prize-winning volume, Kees van der Pijl introduced the ground-breaking argument that our current international system of nation states is merely a historically specific form of foreign relations, rather than a permanent fixture. Now he traces the key characteristics of 'foreign encounters' over time, showing that myth, religion and ethical philosophies have always informed the way that societies have interacted with outsiders. This points us towards the future state of international relations. A truly masterful work, The Foreign Encounter In Myth And Religion, is a must for upper-undergraduates and academics at the cutting edge of international relations theory.

**Having Everything Right**-Kim R. Stafford 2016 A collection of essays first published in 1986, Having Everything Right revolves around the history, folklore, and physical beauty of the Pacific Northwest. In terms of genre the book comes closest to books like Wallace Stegner's Wolf Willow or the essay collections of Edward Abbey and Wendell Berry, books that blend personal vision and regional evocation. Stafford's essays in this tradition range from the direct exploration of "A Walk in Early May" to the abstract meditation of "Out of This World with Chaucer and the Astronauts," to the familial and social reflections of "The Great Depression as Heroic Age." Animating them all is the sense that there is joy in knowing the world-and the belief that true knowing brings, as Stafford says, "a change of heart." Stafford writes poetic and evocative prose as he reflects on such subjects as Indian place names, bears, and local eccentrics.
