American Cultural Patterns-Edward C. Stewart 2011-06-24 A fully revised edition of the seminal classic This classic study was originally written by Edward Stewart in 1972 and has become a seminal work in the field of intercultural relations. In this edition, Stewart and Milton J. Bennett have greatly expanded the analysis of American cultural patterns by introducing new cross-cultural comparisons and drawing on recent reseach on value systems, perception psychology, cultural anthropology, and intercultural communication. Beginning with a discussion of the issues relative to contact between people of different cultures, the authors examine the nature of cultural assumptions and values as a framework for cross-cultural analysis. They then analyze the human perceptual process, consider the influence of language on culture, and discuss nonverbal behavior. Central to the book is an analysis of American culture constructed along four dimentions: form of activity, form of social relations, perceptions of the world, and perception of the self. American cultural traits are isolated out, analyzed, and compared with parallel characteristics of other cultures. Finally, the cultural dimentions of communication and their implications for cross-cultural interaction are examined.

Meaning in Translation-Barbara Lewandowska-Tomaszczyk 2010 .".. collection of selected articles from the joint International Maastricht-odz Duo Colloquia on Translation and Meaning ..."--Introduction.

Verbal Aspect in Discourse-Nils B. Thelin 1990 In the light of growing insights into the universal temporal-semantic nature of aspectual distinctions, today's aspectology has broadened its attention from restrictedly event-defining functions of aspect on the sentence level towards its primary perspectival functions on the discourse/situation level. Hereby it attempts to relate these functions to each other in ways that stimulate consistently language processing on a more solid perceptual-conceptual and pragmatic basis. Reflecting in various ways this general tendency. The 13 papers collected in this volume are oriented to four fields of research: (1) Developmental properties of aspect and tense; (2) Ideo-pragmatic and conceptual-semantic correlates of aspect and the perspectival organisation of discourse; (3) Aspect, case and discourse; (4) and Aspect in literary discourse. The editor's Introduction gives a comprehensive survey of contemporary aspectology and its development towards a proper integration of discourse/situation conditions. Besides cross-linguistic considerations (including English), the languages analyzed specifically are Russian, Bulgarian, Lithuanian, French and Finnish.

The Ukrainian Question-Alekse? I. Miller 2003-01-01 Discusses the process of incorporating the Ukraine, better known as "Little Russia" in that time, into the Romanov Empire in the late 18th and 19th centuries. Other than territorial expansion, this process was the manifestation of Russian nationalism with regard to Ukrainian culture.

The Whiskey Rebels-David Liss 2008-09-30 David Liss's bestselling historical thrillers, including A Conspiracy of Paper and The Coffee Trader, have been called remarkable and rousing: the perfect combination of scrupulous research and breathless excitement. Now Liss delivers his best novel yet in an entirely new setting-America in the years after the Revolution, an unstable nation where desperate schemers vie for wealth, power, and a chance to shape a country's destiny. Ethan Saunders, once among General Washington's most valued spies, now lives in disgrace, haunting the taverns of Philadelphia. An accusation of treason has long since cost him his reputation and his beloved fiancée, Cynthia Pearson, but at his most desperate moment he is recruited for an unlikely task-finding Cynthia's missing husband. To help her, Saunders must serve his old enemy, Treasury Secretary Alexander Hamilton, who is engaged in a bitter power struggle with political rival Thomas Jefferson over the fragile young nation's first real financial institution: the Bank of the United States. Meanwhile, Joan Maycott is a young woman married to another Revolutionary War veteran. With the new states unable to support their ex-soldiers, the Maycotts make a desperate gamble: trade the chance of future payment for the hope of a better life on the western Pennsylvania frontier. There, amid hardship and deprivation, they find unlikely friendship and a chance for prosperity with a new method of distilling whiskey. But on an isolated frontier, whiskey is more than a drink; it is currency and power, and the Maycotts' success attracts the brutal attention of men in Hamilton's orbit, men who threaten to destroy all Joan holds dear. As their causes intertwine, Joan and Saunders-both patriots in their own way-find themselves on opposing sides of a daring scheme that will forever change their lives and their new country. The Whiskey Rebels is a superb rendering of a perilous age and a nation nearly torn apart-and David Liss's most powerful novel yet.

Making Russians-Darius Staliūnas 2007-01 Making Russians is an innovative study dealing with Russian nationalities policy in Lithuania and Belarus in the aftermath of the 1863 Uprising. The book devotes most attention to imperial confessional and language policy, for in Russian discourse at that time it was religion and language that were considered to be the most important criteria determining nationality. The account of Russian nationalities policy presented here differs considerably from the assessments usually offered by historians from east-central Europe primarily because the author provides a more subtle description of the aims of imperial nationalities policy, rejecting the claim that the Russian authorities consistently sought to assimilate members of other national groups. At the same time the interpretation this study offers opens a discussion with western and Russian historians, especially those, who lay heavy emphasis on discourse analysis. This study asserts that the rhetoric of officials and certain public campaigners was influenced by a concept of political correctness, which condemned all forms of ethnic denationalisation. A closer look at the implementation of discriminatory policy allows us to discern within Russian imperial policy more attempts to assimilate or otherwise repress the cultures of non-dominant national groups than it is possible to appreciate simply by analysing discourse alone.

Corporate Governance in Russia-Daniel J. McCarthy 2004-01-01 Given the past decade of abuse of shareholder rights, corporate governance is essential for Russia's future. In this comprehensive volume, an international group of contributors - academics, corporate executives, government officials, policymakers, specialists from nongovernmental organizations, and legal experts - examine the crucial role of corporate governance as well as the external institutions and forces that affect it. Offering coverage from numerous perspectives, the contributors explore external and institutional influences on corporate governance, its workings within corporations, and the relationships between boards of directors, managers, shareholders, and the government. Case studies of three major companies illustrate the challenges and opportunities involved in creating sound practices. The concluding section provides a summary of the current situation and discusses implications for the future of Russia's corporate governance. A valuable source of information, Corporate Governance in Russia is a must-read for business people, government officials, academic researchers, students, and all those interested in Russia and what the future holds.

Rough, Raw and Ready-Lorelei James 2015-11-11 Torn between the love he has...and the love he's always wanted. Chassie West Glanzer hasn't been a stranger to tragedy. So a year of wedded bliss to sexy-as-sin cowboy Trevor Glanzer has brought her the happiness and contentment she never thought she'd find. And running a ranch has mellowed Trevor's rodeo wanderlust. Then Trevor's old roping partner ambles up the driveway--throwing Chassie's life into chaos. Trevor never expected to see Edgard Mancuso again, after it became clear he couldn't be the man Edgard needed. Now Edgard has returned from Brazil to sort out their tangled past. Although Trevor is hat-over-boothheels in love with his sweet, feisty wife, he's plagued by feelings for Edgard he thought he'd buried years ago. Chassie's shock that Edgard and

Trevor were once lovers turns to fear of losing her husband. Or worse, fear that Trevor will stay with her only out of a sense of duty. Edgard wasn’t sure how he’d feel about Trevor’s wife, but the more time he spends with the big-hearted cowgirl, the deeper their connection becomes. As the three of them test their intimate boundaries together, the sins of the past blur and fade, leaving raw emotion—and unbridled passion. Passion that could heal them...or cause irreparable damage to their future.

Imperial Rule-Alekse? I. Miller 2004-01-01 Renowned academics compare major features of imperial rule in the 19th century, reflecting a significant shift away from nationalism and toward empires in the studies of state building. The book responds to the current interest in multi-unit formations, such as the European Union and the expanded outreach of the United States. National historical narratives have systematically marginalized imperial dimensions, yet empires play an important role. This book examines the methods discerned in the creation of the Habsburg Monarchy, the Ottoman Empire, the Hohenzollern rule and Imperial Russia. It inspects the respective imperial elites in these empires, and it details the role of nations, religions and ideologies in the legitimacy of empire building, bringing the Spanish Empire into the analysis. The final part of the book focuses on modern empires, such as the German "Reich." The essays suggest that empires were more adaptive and resilient to change than is commonly thought.

The four Gospels in the earliest Church history-Thomas Nicol 1908

Say No To Diabetes-Patrick Holford 2011-08-04 In SAY NO TO DIABETES, nutrition expert Patrick Holford presents a complete action plan for sufferers of Diabetes type 1, Diabetes type 2 and the forerunner of Diabetes 2, Metabolic Syndrome, with motivating case histories and supported by the latest scientific findings. He advises on the causes of the current diabetes problem, explains the 10 secrets for preventing and reversing diabetes and Metabolic Syndrome, and provides an anti-diabetes diet, a daily supplement programme, and advice on how to undo the damage caused by diabetes and diabetes drugs. This easy-to-follow programme will help you regulate out-of-control blood sugar levels safely and effectively, with no dangerous side effects.

Working with Young People-Sheila Curran 2013-08-12 Working with Young People is designed to help you develop the knowledge and skills you need for supporting young people as they learn about themselves, others and society and prepare for the transition to adulthood. It introduces the fundamental concepts and issues that lie at the heart of contemporary work with young people and challenges you to think deeply about: - the social context of young people - values and principles that underpin practice - the variety of settings in which practice takes place, and - the importance of informal learning in the lives of young people. Whether you are a new student or returning to study, Working with Young Poeple provides a stimulating introduction and a foundation for further study. Sheila Curran is Senior Lecturer at The Open University. Roger Harrison is Senior Lecturer at The Open University. Donald Mackinnon is Lecturer at The Open University.

A Laboratory of Transnational History-Heorhi? Volodymyrovych Kas?i?anov 2009-01-01 A first attempt to present an approach to Ukrainian history which goes beyond the standard 'national narrative' schemes, predominant in the majority of post-Soviet countries after 1991, in the years of implementing 'nation-building projects'. An unrivalled collection of essays by the finest scholars in the field from Ukraine, Russia, USA, Germany, Austria and Canada, superbly written to a high academic standard. The various chapters are methodologically innovative and thought-provoking. The biggest Eastern European country has ancient roots but also the birth pangs of a new autonomous state. Its historiography is characterized by animated debates, in which this book takes a definite stance. The history of Ukraine is not written here as a linear, teleological narrative of ethnic Ukrainians but as a multicultural, multidimensional history of a diversity of cultures, religious denominations, languages, ethical norms, and historical experience. It is not presented as causal explanation of 'what has to have happened' but rather as conjunctures and contingencies, disruptions, and episodes of 'lack of history.'

The Disciples-Steve Niles 2016-06-29 "Starts creepy and slowly ratchets up the dread until the last page." -Newsarama In a future where our solar system has been colonized by wealthy elites, interstellar bounty hunters Dagmar, Rick, and Jules follow a missing girl's trail to a cult on Ganymede, Jupiter's largest moon. When they arrive, the intrepid bounty hunters discover the cultists have provoked a terrifying force. This ghost story in space reunites comics' king of macabre Steve Niles with his longtime collaborator Christopher Mitten, whose stylish mix of grit and flow matches Steve's sharp characterizations and taste for screams. "Without a doubt the creepiest comic I've read this year. Everything comes together to make a truly haunting experience with an ever present feeling of crushing space dread." -AiPT! "The true beauty of The Disciples rests in its haunting relatability. All humans in space are just a moment away from insignificance, and Niles and Company make sure you can feel it... we're forced to confront all of the terrifying truths we otherwise avoid in the safety of our terrestrial trappings." -Doom Rocket

Touring Cultures-Chris Rojek 2002-09-11 It is becoming ever clearer that while people tour cultures, cultures and objects themselves are in a constant state of migration. This collection brings together some of the most influential writers in the field to examine the complex connections between tourism and cultural change and the relevance of tourist experience to current theoretical debates on space, time and identity.

Science Education and Culture-Fabio Bevilacqua 2012-12-06 This anthology contains selected papers from the 'Science as Culture' conference held at Lake Como,

and Pavia University Italy, 15-19 September 1999. The conference, attended by about 220 individuals from thirty countries, was a joint venture of the International History, Philosophy and Science Teaching Group (its fifth conference) and the History of Physics and Physics Teaching Division of the European Physical Society (its eighth conference). The magnificent Villa Olmo, on the lakeshore, provided a memorable location for the presentors of the 160 papers and the audience that discussed them. The conference was part of local celebrations of the bicentenary of Alessandro Volta's creation of the battery in 1799. Volta was born in Como in 1745, and for forty years from 1778 he was professor of experimental physics at Pavia University. The conference was fortunate to have had the generous financial support of the Italian government's Volta Bicentenary Fund, Lombardy region, Pavia University, Italian Research Council, and Kluwer Academic Publishers. The papers included here, have or will be, published in the journal Science & Education, the inaugural volume (1992) of which was a landmark in the history of science education publication, because it was the first journal in the field devoted to contributions from historical, philosophical and sociological scholarship. Clearly these 'foundational' disciplines inform numerous theoretical, curricular and pedagogical debates in science education. Contemporary Concerns The reseach promoted by the International and European Groups, and by the journal, is central to science education programmes in most areas of the world.

Sherman-B. H. Liddell Hart 2009-06-16 When Liddell Hart's Sherman was first published in 1929, it received encomiums such as these: "A masterly performance . . . one of the most thoroughly dignified, one of the most distinguished biographies of the year."--Henry Steele Commager, New York Herald Tribune "It is not often that one comes upon a biography that is so well done as this book. Nearly every page bears evidence of the fact that it is the product of painstaking and exhaustive research, mature thought, and an expert understanding of the subject in hand . . ."-Saturday Review of Literature

Monster Musume Vol. 9-OKAYADO 2016-08-30 In a shocking twist (okay, maybe not so shocking...), Kimihito learns that he's been playing host to a princess! Mero the mermaid is actually the daughter of the king and queen of the sea, and now her royal mother is summoning her back home. Kimihito, along with the other monster girls living in his household, go to visit the mermaid queen in the hopes of changing her mind. Along the way, they uncover a tangled scheme that involves kidnapping, royal intrigue, tragedy, and, of course, naughty tentacles. If this intrepid group can manage to stay un-molested long enough to solve the mystery, they could transform the entire mermaid kingdom! But for once, Kimihito isn't the only one risking his life in the name of interspecies relations.

Cordelia's Colours-Nicoletta Vallorani 2012 Cordelia is eight years old, with a name she hates, a mother who's distracted, and a nanny who doesn't speak her language. Everyone thinks she's a little girl with problems, but to Cordelia, her only problem is that everyone has a colour and she doesn't: mum's is "steely and sharp", nanny Martha is "sandy and slippery", her teacher is "clammy and whitish like over-cooked pasta", while grandad was "green and gold". How can she know what her colour is?And so one day Cordelia decides not to go to school, but to go off on an adventure to find her colour. If she finds it, she thinks, then she'll also find the key to all the boxes where words are locked away, and she'll be able to break the pact of silence she's made, even with her little confidante, Cordelia-in-the-mirror.Who is Mr d? Why does she decide some people on the streets of Milan are invisible? And why is White-wizard following her? A quirky rite-of-passage story whose delightful magic captivates the reader.

OCR A2 Biology Student Unit Guide-Richard Fosbery 2010-02-26 Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: . Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions. Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner

Politiche pubbliche, sviluppo e crescita-Bruno Bosco 2005

Compostela and Europe-John Williams 2010 A fascinating journey through the history of one of Europe’s benchmark Romanesque cities. The international nature of Santiago de Compostela cannot be understood without the figure of Diego Gelmirez (1070–1140). His long life was the definitive move forward for Santiago which led to its being one of Europe’s benchmark Romanesque cities. Through the authors’ new critical approaches and the reproductions of historical memoirs never shown before, this publication draws original political, economic and cultural maps of Romanesque Europe.

Imperiology-Kimitaka Matsuzato 2007

Mons-John Terraine 2002-10 Twice in the 20th century, a British Expeditionary Force has taken the field in Northern France to fight beside the French Army. Twice, the Expeditionary Force has survived threat of complete destruction. But the differences between the Retreat to Dunkirk in 1940 and the first encounter with the enemy at Mons in 1914 are significant.

Not Either an Experimental Doll-Lily Patience Moya 1987 Although the letters speak for themselves, the editor has written an introduction and epilogue which tell of the tragic ending to this riveting story.

Ministering to Your Family-Kenneth E. Hagin 1986-07-01 Do not make the mistake multiplied thousands of Christians are making. That is, wondering and wavering concerning the will of God in anything that is promised by God.
