Understand the strengths and limitations of qualitative data Learn how experts work around common methodological issues Compare actual field notes to the qualitative studies they generated Examine the full range of qualitative methods throughout the research process Whether you're studying sociology, psychology, marketing, or any number of other fields, especially in the social and behavioral sciences, human behavior is the central concern of your work. You Deserve a Drink-Mamrie Hart 2015-05-26 A New York Times bestselling, riotously funny collection of boozy misadventures from the creator of the YouTube series, "You Deserve a Drink." Mamrie Hart is a drinking star with a Youtube problem. With over a million subscribers to her cult-hit video series "You Deserve a Drink," Hart has been entertaining viewers with a combination of tasty libations and raunchy puns since 2011. Hart also co-wrote/co-starred in Dirty Thirty and Camp Takota with Grace Helbig and Hannah Hart. Finally, Hart has compiled her best drinking stories—and worst hangovers—into one hilarious volume. From the spring break where she and her girlfriends avoided tan lines by staying at an all-male gay nudist resort, to the bachelorette party where she accidentally hired a sixty-year-old meth head to teach the group pole dancing (not to mention the time she lit herself on fire during a Flaming Lips concert), Hart accompanies each story with an original cocktail recipe, ensuring that You Deserve a Drink is as educational as it is entertaining. With cameos from familiar friends from the YouTube scene and a foreword by Grace Helbig, this glimpse into Hart's life brings warmth and humor to the woman fans know and love. And for readers who haven't met Mamrie yet—take a warm-up shot and break out the cocktail shaker: you're going to need a drink. "Hart is a pull-no-punches comedian with a talent for self-deprecation in the guise of self-aggrandizement, a winning formula."—The New York Times

Passions Between Women-Emma Donoghue 2014 Passions Between Women looks at stories of lesbian desires, acts and identities from the Restoration to the beginning of the nineteenth century. Far from being invisible, the figure of the woman who felt passion for women in this period was a subject of confusion and contradiction: she could be put in a freak show as a 'hermaphrodite', denounced as a 'tribade' or 'lesbian', revered as a 'romantic friend', jailed as a 'female husband' or gossiped about as a 'woman-lover', 'tommy' or 'Sapphist'. Through an examination of a wealth of new medical, legal and erotic source material, together with re-readings of classics of English literature, Emma Donoghue uncovers the astonishing range of lesbian and bisexual identities described in British texts between 1668 and 1801. Female pirates and spiritual mentors, chambermaids and queens, poets and prostitutes, country idylls and whipping clubs all take their place in an intriguing panorama of lesbian lives and loves. 'Controversial, erotic and radical, Emma Donoghue's lesbian voyage of exploration outlines an astonishing spectrum of gender rebellion which creates a new map of eighteenth-century sexual territories and identities.' Juz Amma from the Noble Quran Bilingual Edition English & Arabic-Muhammad Vandestra 2018-04-24 Juz Amma from The Noble Quran bilingual edition with english and arabic language edition. The Noble Quran literally meaning "the recitation"; also romanized Qur'an or Koran is the central religious text of Islam, which Muslims believe to be a revelation from Allah SWT (God). It is widely regarded as the finest work in classical Arabic literature. The Quran is divided into chapters (surah in Arabic), which are then divided into verses (ayah). Muslims believe that the Quran was verbally revealed by God to Prophet Muhammad SAW through the angel Gabriel (Jibril), gradually over a period of approximately 23 years, beginning on 22 December 609 CE, when Prophet Muhammad SAW was 40, and concluding in 632, the year of his death. Muslims regard the Quran as the most important miracle of Prophet Muhammad SAW, a proof of his prophethood, and the culmination of a series of divine messages that started with the messages revealed to Prophet Adam (Pbuh) and ended with Prophet Muhammad SAW. The word "Quran" occurs some 70 times in the text of the Quran, although different names and words are also said to be references to the Quran. According to the traditional narrative, several companions of Prophet Muhammad SAW served as scribes and were responsible for writing down the revelations. Shortly after Prophet Muhammad SAW passed away, the Quran was compiled by his companions who wrote down and memorized parts of it. These codices had differences that motivated the Caliph Uthman to establish a standard version now known as Uthman's codex, which is generally considered the archetype of the Quran known today. There are, however, variant readings, with mostly minor differences in meaning. The Noble Quran assumes

familiarity with major narratives recounted in the Biblical scriptures. It summarizes some, dwells at length on others and, in some cases, presents alternative accounts and interpretations of events. The Noble Quran describes itself as a book of guidance for mankind.
