<p>Bulleh Shah-Bulleh Shah 2012-09-15 ***BULLEH SHAH: SELECTED POEMS***Translation & Introduction by Paul SmithBulleh Shah (1680-1758) was a Sufi poet who composed in Punjabi and settled in Kasur, now in Pakistan. His Spiritual Master was Shah Inayat. The poetic form Bulleh Shah is called the Kafi, a style of Punjabi poetry used not only by the Sufis of Sindh and Punjab, but also by Sikh gurus. His poetry and philosophy strongly criticizes the Islamic religious orthodoxy of his day. His time was marked with communal strife between Muslims and Sikhs. But in that age Bulleh Shah was a beacon of hope and peace for the citizens of the Punjab. Several of his songs or kafis are still regarded as an integral part of the traditional repertoire of qawwali, the musical genre that represents the devotional music of the Sufis. The correct rhyme-structure has been kept as well as the beauty and meaning of these poems. 141 pages.COMMENTS ON PAUL SMITH'S TRANSLATION OF HAFIZ'S 'DIVAN'. <p>Cold-Case Christianity-J. Warner Wallace 2013-01-01 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.</p>

Full Gas-Peter Cossins 2019-06-06 **** WINNER OF THE CYCLING BOOK OF THE YEAR AT THE 2019 TELEGRAPH SPORTS BOOK OF THE YEAR AWARDS**** So how do you win a bike race? Riding as fast as you could for as long as you could was the main tactic in the early days of road racing when Grand Tours could be won by hours. Now a minute's delay thanks to a puncture could ruin a rider's chances over a three-week race and the sport is described as nothing less than chess on wheels. The intricacies and complexities of cycling are what makes it so appealing- an eye for opportunity and a quick mind are just as crucial to success as a 'big engine' or good form. How do you cope with crosswinds, cobbles, elbows-out sprints, weaving your way through a teeming peloton? Why are steady nerves one of the best weapons in a rider's arsenal and breakaway artists to be revered? Where do you see the finest showcase of tactical brilliance? Peter Cossins takes us on to the team buses to hear pro cyclists and directeurs sportifs explain their tactics- when it went right, when they got it wrong - from sprinting to summits, from breakaways to bluffing. Hectic, thrilling, but sometimes impenetrable - watching a bike race can baffle as much as entertain. Full Gas is the essential guide to make sense of all things peloton.
