A Textbook of Historiography, 500 B.C. to A.D. 2000-E. Sreedharan 2004 This book traces the development of historiography from the days of Herodotus to those of postmodernism. It covers the ancient, medieval and the modern aspects of the subject and offers easy comprehension, clear and precise guidance and immediate utility. The author provides a balanced view of competing ideas and leads the reader into the vast arena of the subject. Two thousand five hundred years of historiography, including Indian historiography and the poststructuralist critique of history, constitutes this clear, analytical work.

Gaṇeśapurāṇa-Greg Bailey 2008 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesas ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Complete Works of Nostradamus-Nostradamus 2019-09-04 Greetings and happiness to César Nostradamus my son Your late arrival, César Nostredame, my son, has made me spend much time in constant nightly reflection so that I could communicate with you by letter and leave you this reminder, after my death, for the benefit of all men, of which the divine spirit has vouchsafed me to know by means of astronomy. And since it was the Almighty's will that you were not born here in this region [Provence] and I do not want to talk of years to come but of the months during which you will struggle to grasp and understand the work I shall be compelled to leave you after my death: assuming that it will not be possible for me to leave you such [clearer] writing as may be destroyed through the injustice of the age [1555]. The key to the hidden prediction which you will inherit will be locked inside my heart. Also bear in mind that the events here described have not yet come to pass, and that all is ruled and governed by the power of Almighty God, inspiring us not by bacchic frenzy nor by enchantments but by astronomical assurances: predictions have been made through the inspiration of divine will alone and the spirit of prophecy in particular. On numerous occasions and over a long period of time I have predicted specific events far in advance, attributing all to the workings of divine power and inspiration, together with other fortunate or unfortunate happenings, foreseen in their full unexpectedness, which have already come to pass in various regions of the earth. Yet I have wished to remain silent and abandon my work because of the injustice not only of the present time [the Inquisition] but also for most of the future. I will not commit to writing. Since governments, sects and countries will undergo such sweeping changes, diametrically opposed to what now obtains, that were I to relate events to come, those in power now - monarchs, leaders of sects and religions - would find these so different

In Good Relation-Sarah Nickel 2020-05-01 Over the past thirty years, a strong canon of Indigenous feminist literature has addressed how Indigenous women are uniquely and dually affected by colonialism and patriarchy. Indigenous women have long recognized that their intersectional realities were not represented in mainstream feminism, which was principally white, middle-class, and often ignored realities of colonialism. As Indigenous feminist ideals grew, Indigenous women became increasingly multi-vocal, with multiple and oppositional understandings of what constituted Indigenous feminism and whether or not it was a useful concept. Emerging from these dialogues are conversations from a new generation of scholars, activists, artists, and storytellers who accept the usefulness of Indigenous feminism and seek to broaden the concept. In Good Relation captures this transition and makes sense of Indigenous feminist voices that are not necessarily represented in existing scholarship. There is a need to further Indigenize our understandings of feminism and to take the scholarship beyond a focus on motherhood, life history, or legal status (in Canada) to consider the connections between Indigenous feminisms, Indigenous philosophies, the environment, kinship, violence, and Indigenous Queer Studies. Organized around the notion of "generations," this collection brings into conversation new voices of Indigenous feminist theory, knowledge, and experience. Taking a broad and critical interpretation of Indigenous feminism, it depicts how an emerging generation of artists, activists, and scholars are envisioning and invigorating the strength and power of Indigenous women.

Siva's Warriors- 2014-07-14 Here is the first translation into English of the Basava Purana, a fascinating

collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism. Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaivas saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Sadhana-Swami Sivananda 1978

NARADA BHAKTI SUTRA-SWAMI CHINMAYANANDA 2013 Swami Chinmayananda's commentary on Narada Bhakti Sutra dances with the nuances of an ecstatic and enduring relationship with the Lord of ones heart that becomes the bed-rock of a devotees life. This divine love is all-consuming, yet purging and freeing in its impact. The devotee trusts the Lord like a friend, cherishes Him like a child and is faithful to Him like a wife. Where then is the need or the place for any other worldly relationship? Joy or sorrow, it is the Lord alone for him. He will play, pray, fight and frolic only with the Lord in his hearts shrine. Go for it! Get engulfed by a relationship that lasts lifetimes, riding on waves and giant waves of beatific beauty!

Madhurashtakam-Swami Tejomayananda 2010 Vallabhacharya, the founder of the Pushti Maarg was a poet, scholar and passionate lover of Lord Krishna. Madhurashtakam is one of the immemorial compositions of Vallabhacharya, the founder of Pusti marg. These set of eight verses talk of Shri Krishna's bewitching personality. His pastimes, and His pranks all of which make Him loving and lovable. The composition has become more popular because of its simplicity. Pujya Guruji's commentary on it gives us a sense of immediacy with highlights of episodes from the lives of recent saints. It also makes us introspect on our hypocrisies which prevent us from flowing with sweetness. It opens our eyes to the healing energies of the Divine, clothed in a name and form.

Healing Mantras-Thomas Ashley-Farrand 2008-12-24 "Sound is more than simply a medium of artistic expression. Sound has practical and powerful applications in the real world." Mantras, or simple chants, are short phrases packed with energy and intention--specifically designed to generate powerful sound waves that promote healing, insight, creativity, and spiritual growth. Healing Mantras is the practical, how-to guide that makes the strengths and benefits of mantras available to everyone. The transformative power of sound has been passed down to the present from the sages of India, the classical scientists of ancient Greece, and the medieval monks of Europe. Mantras, sounds, and chants have inspired, comforted, and mended the lives of individuals, religious orders, and even entire cultures. Even though the science and discipline of chanting and formal prayer are practiced in every religion around the world, this is the first time that ancient Sanskrit mantras have been explained and adapted to Western needs. One of the few Western experts in Hindu and Buddhist mantras, Thomas Ashley-Farrand has practiced mantra-based spiritual disciplines for twenty-five years. In this illuminating book, he explains how and why mantras work and shows how to use them for everything from controlling habits to overcoming fear, from curing specific ailments to finding inner peace. In each of the more than fifty mantras, all translated from the original Sanskrit, Ashley-Farrand unlocks the power of every word, explains its appropriate application, and tells you how to pronounce it in easy-to-follow phonetic symbols. Inside, you'll find mantras for - Health - Worldly Success - Habit Control - Protection - Grief - Anger - Controlling Fear - Personal Attraction - Wisdom - Concentration and Mental Clarity - Healing Life Issues - and more! These mantras can be repeated

aloud or in silence and can be used by people of any religion or spiritual practice, "as you wash dishes, as you drive on the freeway, as you meditate, or as you cook." Sound can help and sound can heal, and Healing Mantras now makes this sound medicine available to everyone.

Routledge Handbook of Media Law-Monroe E. Price 2013-01-04 Featuring specially commissioned chapters from experts in the field of media and communications law, this book provides an authoritative survey of media law from a comparative perspective. The handbook does not simply offer a synopsis of the state of affairs in media law jurisprudence, rather it provides a better understanding of the forces that generate media rules, norms, and standards against the background of major transformations in the way information is mediated as a result of democratization, economic development, cultural change, globalization and technological innovation. The book addresses a range of issues including: Media Law and Evolving Concepts of Democracy Network neutrality and traffic management Public Service Broadcasting in Europe Interception of Communication and Surveillance in Russia State secrets, leaks and the media A variety of rule-making institutions are considered, including administrative, and judicial entities within and outside government, but also entities such as associations and corporations that generate binding rules. The book assesses the emerging role of supranational economic and political groupings as well as non-Western models, such as China and India, where cultural attitudes toward media freedoms are often very different. Monroe E. Price is Director of the Center for Global Communication Studies at the Annenberg School for the University of Pennsylvania and Joseph and Sadie Danciger Professor of Law and Director of the Howard M. Squadron Program in Law, Media and Society at the Cardozo School of Law. Stefaan Verhulst is Chief of Research at the Markle Foundation. Previously he was the co-founder and co-director, with Professor Monroe Price, of the Programme in Comparative Media Law and Policy (PCMLP) at Oxford University, as well as senior research fellow at the Centre for Socio Legal Studies. Libby Morgan is the Associate Director of the Center for Global Communication Studies at the Annenberg School for the University of Pennsylvania.

The Prophecies-Nostradamus 2013-12-31 The predictions of the sixteenth-century French astrologer Nostradamus have long proved captivating. He has been credited with anticipating the Great Fire of London, the rise of Adolf Hitler, and the September 11 terrorist attacks. Today, as the world grapples with financial meltdowns, global terrorism, and environmental disasters-as well as the Mayan prediction of the apocalypse on December 21, 2012-his prophecies of doom have assumed heightened relevance. A revelatory new translation with the original French on facing pages, this edition also features extensive introductory and supplementary material, all helping to illuminate the cultural, political, and historical forces that resonate throughout Nostradamus's epic and give it its visionary power.

Guru Charitra-Shree Swami Samarth 2008-08-01 Guru Charitra is one of the most revered scriptural texts of Hinduism. Containing the biographies of Lord Dattatreya, (Lord Bramha, Vishnu and Mahesh) and his subsequent incarnations Sripada Sri Vallabha and Sri Narasimha Saraswati, it clarifies several doubts on religious dogmas, rituals and doctrines through a conversation between the master and his disciple. This book, steeped in lofty Hindu philosophical ideas also portrays a picture of the social and economic condition of the medieval times in India, and the message conveyed by the numerous teachings of the Guru needs to be understood in the context of those days. Reading of this interactive account, written in simple and lucid language will give strength and encouragement to spiritual aspirants to continue with their sadhana (spiritual pursuit), enable them to overcome the various problems of modern day living and fulfil their inherent wishes.

Inner Management (eBook)-Sadhguru 2012-09-01 In modern societies, enhancing the quality of our life has

become one of our main objectives. In this pursuit, we tend to emphasize on enhancing external situations, our job, business, family and the abounding accumulation of material things; in spite of all the efforts, our personal and professional lives are too often painfully lacking happiness and fulfillment. In this volume, Sadhguru shifts our focus to the inside, pointing out a way to establish a true sense of inner peace and wellbeing by applying "Inner Management."

Neem-Klaus Ferlow 2015-09 German Canadian Klaus Ferlow was one of the first to introduce the miraculous healing products from the Indian Neem tree to the West. As a teenager he'd developed a stubborn case of psoriasis which was resistant to both conventional and alternative treatments. His life changed 40 years later when he found out about the remarkable healing properties of Neem, a plant that healers in India have used for thousands of years. Within a few weeks Neem had finally freed him of the life-long condition. As a manufacturer of botanicals, Klaus was in the ideal position to develop a variety of Neem products and make them available to the North American market, as early as 1994. The author traces his own healing journey and his lifelong fascination with the versatile Neem tree from Canada to the Indian subcontinent where the tree originated. The book includes a valuable guide to herbs, list many useful healing applications of Neem, and explores its politics and history. The endearing story of the Neem tree is told through the eyes of one of its most enthusiastic advocates. Klaus Ferlow has since established the Neem Research organization to protect and promote this precious healing gift to humanity.

The Eternal Sai-S. Maneey

Encyclopaedia of Sikh Religion and Culture-R. C. Dogra 1995

The Lamp of Love-Sathya Sai Baba 2010-01-01 Sathya Sai Baba was born in 1926, and is a teacher of wisdom, a weaver of stories, metaphorical and allegorical, about the nature and destiny of humanity. He speaks of Atma, the eternal Spirit within, the Self, the breath of God that animates everyone: deathless, fadeless, ageless, infinite, indestructible, unbounded, unchanging, unlimited. Hard to describe a thing so vast and luminous, but it is really the Lamp of Love. Sathya Sai Baba is one of the most majestic spiritual teachers. His stories paint the inner beauty of the Self -- its delight, its allure, its Love -- and how that Self may be realized and lived fully, sublimely, abundantly.
